How to Recertify Your EMI Shielding Paints, Sealants, Adhesives and Grease Products

1. Test fee is \$500.00 (U.S.) per lot, pass or fail.
Typical lead time is fourteen (14) days after receipt of material. Place an order with Parker Chomerics for part number **97-CN-RE-CERT**.
2. Please send unopened container/kit of material from each material lot to be submitted for recertification.
Send material to be recertified to:
Parker Hannifin Corporation
Chomerics Division
8 Commonwealth Avenue
Woburn, MA 01801
Attn: Shelf Life Extension
3. Upon passing results, a recertification letter will be provided with the new product shelf life extension. Shelf life is extended from the original expiration date. If material fails, you will be notified and no recertification letter will be sent.
4. Material sent for recertification testing will not be returned and will be retained for quality control purposes.
